ABSTRACT.

With reference to Endorsement No. 65 of 15-11-96 Fraudes on his appeal against the loss caused to him by the Arkalgud Taluk authorities in the matter of the toddy contract for 1896-97 states as follows:-

(1) The above order has been passed purely upon the report of the authorities of the Department but not after going through the Records in the Secretariat, Bangalore and Arkalgud Taluks and also the Records in the hands with him.

(2) The authorities did not grant him license in April when the toddy fees a foot-tale and plan in Koppa-of the Vacancies as stated by them in their Petition. He was granted license on 22nd June and was given an yadi to Bangalore Taluk on 15th July to place him in the Koppa of the Vacancies. This is after

the Dog. The Summer season - the Summer Zabuk authorities placed him in possession of the three Vanams opt pick. and obtained a receipt from him for 6 Vanams - He has not executed a counterdeed.

3. It was the duty of the Zabuk authorities to place him in ~~possession~~ possession of the Vat at the proper time - as they failed to do so he incurred no loss -

4. It is stated in the order that if he had not had proper support of Govt from the fixed Vanams he would not have paid his Kist for June 92 and also the deposit amount - It is in contemplation that the deposit amount should be paid beforehand - The contractor is at liberty to pay his Kist and lighten his burden at any time on the hope that Govt would help him to work out the Vat. Govt has no reason to Enter into this question.

5. It is stated that his appeal is dismissed relying upon the reports of the departmental authorities concerning their mistakes - But of the 8 Vanams entrusted to in the license however Zabuk authorities took the three Vanams and three of Govt. one Vanam and credited the reduction - actual said Zabuk authorities worked the remaining four Vanams - the full amount of his license has been procured - In spite of this the actual said Zabuk authorities must bear responsible for the amount of a Vanam in another Taluk - attached the property of his Security and reported that so as could not be realised from the produce of the Security - the matter might have been brought to the notice of Govt in the Excise Govt. there was nothing for Govt to remit as the full amount of the Vanams reserved in the license had been realised

(6) The Vat was placed in his possession in August - So he had 8 months left to work the contract of which 4 months were raining and 4 cold season - no Sale could be effected during the above seasons - Consequently he had to maintain Establishment for nothing at all - Thus he has incurred till now a loss of the Extent of Rs. 5000 /-

The order has been passed on his petition in the matter of 26-11-96 - since he has represented Govt. with his petition stating briefly of the dealings of the Zabuk authorities.

Prayed that on perusal of the records and on hearing him an Equitable order may be passed.

Stated that he changed Engagement till the 15th January & that any Engagement that may be given to him will in that time may be sent to him the re

ABSTRACT

With reference to Endorsements Nos 657 Ex and 5460 Ex 211 to the effect that the Dy Commissioner has reported (1) that the Toddy drawn in the Vanams of Dadadahalli and Yelarkalli of the Hedatore Taluk would not answer the requirements of the Dasans at Kerlabura and Heradanahalli; (2) that if it was not sufficient the petitioner would not have paid the deposit amount and also the Khists for May & June 1892; (3) that the petitioner being the sole contractor it was his duty to know what Vanams belonged to him; (4) that the same information that had been furnished to other contractors had also been furnished to him; (5) that as regards his allegation that out of the nine Vanams of the Hunsur Taluk in which the Dukan of Rudrapatna, Heragodu and Anantagiri ~~on which the Dukans of Rudrapatna~~ depended he was given possession of only three Vanams; it is stated that after the settlement of the dispute which existed between him and the contractor, a Panchayat was executed; (6) that from these and other references his petition is rejected.

and that as regards the arrears due by him to Government, a report having been received that a sum of Rs 187 was realized by the sale of the property belonging to him and his surety and that there was no assets for the realization of the balance amounting to Rs 1040-8-3, an order has been passed issued for the remission of the amount, stated as regards No. 1,

During the sale the Varams of Dadadahalli and Yelarahalli were settled for the Dukan of Kerlapura. This was not given effect to. The Taluk authorities of Yedatore appropriated the Varam of Dadadahalli. Hence there was only one Varam viz of Yelaradalli for the Dukan of Kerlapura. By this only half the amount was realized.

As regards No 2,

He was to be placed in charge of the Bab from 1st April. He was placed in charge of it four months afterwards by the mistake of the Taluk authorities. He borrowed and paid the deficit amount and the instalment due for the said four months. The decision of Government on this point whether he paid the amount from the working of the Bab or from his pocket, seems to have been passed without due enquiry.

As regards No 3

He completed and bought the contract in accordance with Taluk accounts. He had no reason to ascertain the Varams previous to this, nor had he any knowledge of them. Soon after the confirmation of the sale it was the duty of the Taluk authorities to have the boundary of the Varams fixed and pointed out to the contractor to place them free of all impediments in his possession, and then to grant him license and obtain receipt. The Taluk authorities have not done this.

As regards No. 4.

Government having shown during sale 10 Varams on paper and placed only 6 Varams in possession, did not demand for the full amount of contract from others. This was not done in his case also. But the assurance given at the time of sale was not given effect to

As regards No 5.

No settlement was effected of the Tak which existed between him and the Contractor. Nor has the Petitioner executed any Inamdarbeke. The Arkalgud Taluk authorities obtained at the instance of the Hunsur Taluk authorities two receipts from him for 6 Varams, though he was placed in charge of only 3 Varams, through fraud. The other three Varams referred to in his Takrar and mentioned in the Sagvali Chit were appropriated to Hunsur Taluk and the amount due therefrom has been fully realized. He has brought to the notice of the authorities concerned of the fraudulent way in which receipts were obtained from him But no notice has been taken of this complaint. He and his surety have been rendered liable not only to loss but also to indignity by the attachment and sale of their property. All this has been brought about by the negligence of the Taluk and District authorities. He prays that he may be compensated for this.

As regards No 6.

If the other references referred to were sent for and gone through Government would come to know the above facts.

As regards No 7

No arrears are due by him as will be seen from the records. Yet a sum of Rs 187 has been recovered from them by coercive measures. There is nothing to grant him any remission.

He was in possession of the Bab only for 8 months, i.e., from 1st August up to the end of March. Hence he is not liable for the amount due for the other four months. The Taluk license, the Yadi of the Hunsur Taluk, the false report of the Amildar stating that there was no mistake of his, though he did not place him in charge of the Bab from 1st April, and the receipt given by him for placing him in possession of the Bab would notorily falsify the points referred to in the above endorsements but would help him in his Cause. He was not placed in Charge of the Bab during the summer months, when large income would have been realized.

Prays that early and equitable order may be passed.
